I recently completed the Oracle DBA class with Srimi. This is my first online class and found it very impressive: the structure and sequence of the class, the logical examples and explanations, the book, the exercises, the classroom setup and lab setup.

Overview - DBA University | Oracle Training

Undertaking this training was a great investment of my money and time. Amazing course content and the schedule really suited my needs as well. The trainer Srimi is just brilliant in terms of explaining concepts, generating comprehensive lab work and ability to get folks engaged in the course.
