Our Husqvarna ST224P Review. Before we say anything else, let's just say this: Husqvarna is a company with a long and illustrious history of designing and manufacturing machinery of this type (did you know they also manufacturer motobikes?), so we start on a good note by picking a model from one of the biggest brands in the business. There are 'discount' brands on the market - as with ...

My Kubota B3030 HSDC tractor came with a B2782 snowblower with a manual chute deflector pictured below: Although I live in the boondocks, it is still nice to change the angle of the chute periodically. Getting out of the tractor and doing it manually is a pain so most of the time when I would like to change the angle, I would just use it the way it was.
