It is important that you present the exercises daily, since providing the students with continual practice will build critical-thinking skills far better than, for example, asking them to deal with a week's worth of lessons in one twenty-five-minute session. Oral Emphasis The emphasis in Daily Analogies and Antonyms is on oral explanation-that is,

**Antonyms - Shiflett's Page**

This unit contains classic analogies worksheets in which students must choose the pair of words that best express a relationship similar to that expressed in the original pair. Note that low beginning analogies have been created so that one word is static.
