I now have a LT4 Supercharged engine for my 69 Camaro and am trying to decide what gearbox to run - either a TKO600 or T-56 Magnum?? Here in New Zealand we don't have big long highways and I've heard other vehicles with 6 speeds don't get into 6th. For the type of HP these LT4's which one should I run with?

Women in computing have shaped the evolution of information technology. They were among the first programmers in the early-20th century, and contributed substantially to the industry. As technology and practices altered, the role of women as programmers has changed, and the recorded history of the field has downplayed their achievements.
