The Nissan Sunny is an automobile built by the Japanese automaker Nissan from 1966 to 2006. In the early 1980s, the brand changed from Datsun to Nissan in line with other models by the company. Although production of the Sunny in Japan ended in 2006, the name remains in use in the Chinese market for a rebadged version of the Nissan Latio.. In North America, the later models were known as the ...

Nissan Sunny - Wikipedia

I just purchased a fairly all original 1976 datson b210 with an A14 engine that needs an updating all around. As of right now i already started taking the timing chain off the car and cleaned anywhere my hands can reached. i bought a new Timing chain Set and mock installed it but i notice that the marks weren't aligned like it said in the manual.
