An international driving permit (IDP), often (incorrectly) referred to as an international driving licence (IDL), is any valid, legal identity document that allows the holder to drive a private motor vehicle in any country or jurisdiction which recognises the document. To be valid, the IDP must be accompanied by a valid driving licence issued in the applicant's country of residence.

ABUJA, March 15, 2016 –With over 170 million people and a high rate of population growth, Nigeria needs to create 40 to 50 million additional jobs between 2010 and 2030. To reduce poverty and promote more inclusive growth, these jobs need to be more productive and provide higher incomes than the country's jobs today.
