I have just downloaded Here Drive so as to learn to use the maps. But the manual is obviously for Windows or Android phones because it is so different and it's instructions do not work. My problem at present is to delete maps which are no longer needed.

NOKIA HERE DRIVE USER MANUAL Pdf Download.

Here's something less obvious: The owner's manual of a lawnmower or weed trimmer will tell you to always disconnect the spark plug whenever performing maintenance, so there's no chance you might start up the engine accidentally. I didn't know this (or really even thought about it) until I read the owner's manual.

A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.
