Engine Removal. Engine Removal is a lot easier when you have no intention of putting it back but it was a first for me and only possible after I found a good "Engine Extraction" article on [www.thedieselstop.com](http://www.thedieselstop.com). This is my first time pulling something bigger than a VW engine, and the lessons learned were; #1 the clutch stays with the engine so use the pry bar on the back side of that, and #2 ...
