You can't convert an auto transmission to manual, you will need to replace the entire transmission. It CAN be done, but it would not be economical in most cases. John Carter has listed some of the parts, but wised out that you would also need a new wiring loom and possible ECU.

How much would an automatic to manual transmission swap ...

Manual Supras with the Getrag 6 speed are all expensive because the Supra Turbo is the one that had the 6 speed, the normal one only had a 5spd. And there were several model years with no manual option. The Supra is getting close to being a GT car and therefore many buyers wanted an auto. Just go to a transmission place and ask them how much.
