I just purchased a used Snowblower Model 944 520661 ( I think this is a Canadian Model Number as I'm in Canada ). The previous owner told me it was 3 - 4 years old but I think it might be a little older than that. It's a 27"/14.5 Model. It did not come with a Users Manual and I am having a hard time finding the proper Model Specific manual online.

On the other hand, if you purchased it used from another source, the manual may very well not have been included with the snowblower.
