The authoritative resource for the organization, preparation, use, and interpretation of construction documents encompassing the entire life cycle of a facility. This new edition considers the need for interdependent processes of design, construction and facility use.

The Project Resource Manual: CSI Manual Of Practice PDF

I have been skimming CSI Manual of Practice, and have found a lot of overlap with what I read in the AHPP while studying for the previous two divisions. However, I do like the way the material is broken down - its much more thorough and straightforward than the AHPP, in my opinion, so nice to refresh and clarify material already studied as I ...

CSI Manual of Practice - ARE 5.0 Community
