Mustang Monthly has a specialized editorial package that covers everything from do-it-yourself recommendations to the history of Mustang. It is the only magazine on the market that caters strictly to the Mustang hobby, from vintage to late-model vehicles.

Mustang Monthly How To Guides - Average Joe Restoration

Women in computing have shaped the evolution of information technology. They were among the first programmers in the early-20th century, and contributed substantially to the industry. As technology and practices altered, the role of women as programmers has changed, and the recorded history of the field has downplayed their achievements.
