whats the average cost of a rebuild? Discussion in '4th Gen Camaro LT1 (1993-1997 Camaro)' started by 9-z28-4, Aug 31, 2008. Page 1 of 2 1 2 Next > 9-z28-4 what does it cost to rebuild the typical lt1? i know there are tons of variables but for a rebuild without forged internals or 500hp na or anything whats it take?? ... it was hella worth it ...

whats the average cost of a rebuild? | Camaro Forums at ...

If you were lucky enough to find a plain jane 350 SBC that needs to be re-ringed, new bearings, no crank work, then a engine rebuild kit from Northern Auto Parts + the "new" engine would cost under \$500 + the cost of freshening up the heads. The short block would need to be in great shape (not boring required) to keep it that inexpensive.

average cost to rebuild 350 short block | NastyZ28.com

With newer models (such as the LS series), you can buy those engines new from your Chevy dealer, but they'll cost more than the venerable 350. Obviously, less common engines are harder to find and not made new any more, so you're looking at a remanufactured engine for your 283, 327, 396, 427, or 454.

Should You Rebuild or Replace Your Corvette's Engine?

GRAND TOTAL = \$6,165. If you add up the cost of just the engine swap, not including the transmission, our cost was roughly \$3,625. If you're handy and can do your own wiring, you can save \$500. Or you might have some parts laying around that you could use to make the swap cheaper, like a radiator or fuel tank.
