2. Disconnect the batteries powering the gauges or SmartCraft components. 3. Cut out the template located on the last page of the installation instructions. NOTE: Always check the template cutout to the mounting holes on the VesselView before drilling. 4. Use the template to determine the space required for mounting. 5.

VESSELVIEW INSTALLATION INSTRUCTIONS

The outstanding warranty coverage on Mercury engines also extends to the controls and rigging components on your boat. If your builder or dealer uses genuine Mercury gauges and controls when

installing the new engine on your boat, the warranty coverage for those rigging components now matches the total warranty of your engine.
