Repair Dixon ZTR. This feature is not available right now. Please try again later.

Fix steering issues on older Dixon ZTR

I too have spent countless hours searching for the same information. I have a Dixon 2301. I have found instructions for adjusting the original dixon standard transaxle, but mine has a z-drive transaxle (which, according to that information, differs from the standard in that it has swing-out levers and does not contain torque rods).
