I believe all small business should have business phone service. If you are one or two employee company or in business where all your staff is on the road, then you don't really need a business line.

JUST SHARE...: Nortel IP PBX Basic command

Purpose. Use the CREATE TABLE statement to create one of the following types of tables:.. A relational table, which is the basic structure to hold user data.. An object table, which is a table that uses an object type for a column definition. An object table is explicitly defined to hold object instances of a particular type. You can also create an object type and then use it in a column when ...
