Workplace wellness is any workplace health promotion activity or organizational policy designed to support healthy behavior in the workplace and to improve health outcomes. Known as 'corporate wellbeing' outside the US, workplace wellness often comprises activities such as health education, medical screenings, weight management programs, on-site fitness programs or facilities.

Workplace wellness - Wikipedia

A corporate tax, also called corporation tax or company tax, is a direct tax imposed by a jurisdiction on the income or capital of corporations or analogous legal entities. Many countries impose such taxes at the national level, and a similar tax may be imposed at state or local levels. The taxes may also be referred to as income tax or capital tax. ...

Corporate tax - Wikipedia

Financial records of an organization that register all financial transactions, and must be kept at its principal office or place of business. The purpose of these records is to enable anyone to appraise the organization's current financial position with reasonable accuracy. Firms present their annual accounts in two main parts: the balance sheet, and the income statement (profit and loss account).
