2005 Vespa ET4 Review. posted Mar 19th, 2013 at 3:17pm. Piaggio has made Vespa scooters in Italy since just after World War II. The Vespa scooter is almost identical to the Nebraska-made Cushman scooters, which were plentiful in Italy during and after the war. The U.S. exported the Cushmans to transport military personnel easily throughout Italy.

These seat units are fully compatible with the Vespa ET2/ET4/LX and S models without modification. The original PIAGGIO seats issued with the Vespa S models has a lower, sleeker design than the rest of the range. This makes it ideal for LX ride-height conversion to suit the shorter people amongst us, without having to expensively replace...
