Civil procedure in South Africa is the formal rules and standards that courts follow in that country when adjudicating civil suits (as opposed to procedures in criminal law matters). The legal realm is divided broadly into substantive and procedural law. Substantive law is that law which defines the

contents of rights and obligations between legal subjects; procedural law regulates how those ...

Civil procedure in South Africa - Wikipedia

The Bachelor of Laws (Latin: Legum Baccalaureus; LL.B. or B.L.) is an undergraduate degree in law (or a first professional degree in law, depending on jurisdiction) originating in England and offered in Japan and most common law jurisdictions—except the United States and Canada—as the degree which allows a person to become a lawyer. It historically served this purpose in the U.S. as well ...
