However the no-DICOR, i.e the older IDI Tata Engines are cheap to maintain and quite old tech without ECU etc so not much goes wrong with it. The DICOR engine is a mucn more complex unit with various sensors working in harmony, hence poor QC has a bigger impact on the DICOR engine than on the IDI engine.

Rated 5 out of 5 by Smokey Camping from Roof sealant and repairs It is a Dicor product so you should expect it to work right and it does, I have used hundreds of tubes of this product and it always works great. You should be looking at all your sealing spots on your roof at least twice per year to stop the issue of water leaks in your coach also!

Rated 5 out of 5 by Virginia Finuf from Dicor Rubber Roof Primer/Cleaner and Paint This product is great - after applying the primer/cleaner and rinsing off the paint was so easy to apply and after two coats of paint looks like a new roof. Very happy with results. But if you drape your whole

camper so that product does not get splashed on the sides when rinsing it can take a lot of time.
