Digi 001 Quick Start Guide - Digidesign Support Archives

The manual isn't the easiest thing in the world to understand, but you can get through it if you need to use it. OVERALL OPINION My favorite thing about the DigiDesign 002 rack is that its like having a major studio right in the privacy of your own home, and it's a great tool to understand how things will work in the major studio.

User reviews: Digidesign Digi 002 Rack - Audiofanzine

Is there a Digi 002 User\'s manual? I see in the digidesign downloads that there is a getting started and a basics guide, both of which came w/ the 002, but is there a full user's manual available? Or can you recommend a good user's guide like visual quickstart?
